Nursery Room	Free diapers, hot water, crib, etc.
ATM	Withdrawal, fund transfer, balance check.
Wireless Internet Access	Free wireless internet access.
Parking Lot	Free parking service for all kinds of vehicles.
Scenic Rest Area	A good landscape.

(3) Service area operation philosophies.

To provide a high quality environment, the freeway service areas adopt the “service oriented” motto. Through different operators, the competition provides the best services to the customers. To reach the “1 Service Area, 1Speciality” goal, the service areas promote rest, tourism, ecology protection by incorporation local features and specialties to not only provide recreation, but also education.

2) Petrol Station Services

(1) To provide a convenient service to road users, there are 22 petrol stations on Freeway No. 1. On Freeway No. 3 there are petrol stations in Guansi, Cingshuei, Dongshang, Guanmiao on both North and South bound directions. Sihu Service Area is limited by its area size and cannot set up a petrol station while Nantou, Gukeng Service Area are currently under planning.

(2) Each petrol station offers 24 hour service with simple maintenance, free charge for water, air inflation and toll coupons sale.
